Meeting Summary-RMA EPA 04-07 16 EPA edits.docx

Dear Tracey,

Thank you for sending a draft summary of the meeting RMA requested to have with EPA on the Federal Research Action Plan. I've made a few minor edits to the attached. If you are ok with these edits, please accept the changes and send me a final version of the meeting summary with the "draft" watermark removed.

Thank you,

Nicole

Subject: Draft Meeting Summary

Dear Nicole,

Thanks again to EPA staff for agreeing to meet with RMA staff about the Federal Research Action Plan on the Use of Recycled Tire Crumb on Playing Fields and Playgrounds. We appreciated the opportunity to educate EPA staff on the basics of tire manufacturing and open the dialogue on this topic.

Please see attached a draft meeting summary for your review. I am happy to discuss and revisions to the summary you would suggest.

Best regards,

Tracey
